MULE & WHITE TAIL DEER

NATIVE WILDLIFE

AT WHITE RANCH PARK

A variety of wildlife are currently or have been present, including, white tail and mule deer, mountain lion, bald eagle & hawks, wood chucks, squirrels, meadowlarks & birds, and bull & rattle snakes. With both high and low elevations, pastures and lowlands, the White Ranch Park sees many species passing through along the drainages, which provide good cover, down to Sundance Creek.

BULL & RATTLE SNAKES

MOUNTAIN LION
